

Information on personal data processing within the operation of camera system on the HMMC premises

Who is the controller of personal data?

The operator of the camera system, and thus controller of personal data is company Hyundai Motor Manufacturing Czech, s.r.o., with its registered office at Průmyslová zóna Nošovice, Hyundai 700/1, 739 51 Nižní Lhoty, company reg. no. 27773035, registered in the Commercial Register maintained by the Regional Court in Ostrava, C 41484 (hereinafter referred to as HMMC).

What is the purpose of personal data processing?

HMMC operates camera system in its premises and, alongside that, processes personal data for the purpose of protection of property of HMMC and its employees and other cooperating persons or other persons within HMMC premises, occupational safety and fire protection events and to monitor and secure production technology and the entire production process. For such purpose HMMC uses cameras with and without recording.

What personal data are processed?

Images of displayed persons are being captured on the footage when operating the camera system.

How long will personal data be processed?

As for camera systems with recording, personal data is automatically erased ordinarily after 7 days; in case of cameras aimed at production technologies, records may be stored for 14 days, where necessary.

What is the legal basis of personal data processing?

The processing of personal data is justified by HMMC's legitimate interest on protection of the property of HMMC, its employees, other cooperating persons or any other persons within the premises of HMMC, on dealing with events in the area of occupational safety and fire protection and monitoring and securing production technology and the entire production process.

Is provision of personal data mandatory?

Entering the HMMC premises, and thus the provision of personal data, is completely voluntary. Upon entering the HMMC premises, HMMC processes the personal data of all persons without any distinction based on the legitimate interests of HMMC as described above and not on the basis of the consent given.

Is there a fully automated decision making process?

HMMC processes personal data both manually and by automated means through computer technology. While processing personal data, neither fully automated decision-making, nor profiling is used.

Are personal data safe?

Protection of personal data in HMMC is ensured organizationally and technically in accordance with relevant legislation. Also all processors, which process personal data for HMMC, provide comparable standard of personal data protection.

Personal data is under constant physical and electronic control. HMMC has modern control, technical and security mechanisms to ensure maximum protection of processed data from unauthorized access or transmission, loss or destruction, and other possible misuse.

Every person, who come into contact with personal data, in the performance of their work or contract obligations is bound by a statutory or contractual obligation of confidentiality.

Personal data may be shared also with external partners and advisers of the Controller (e.g. suppliers, lawyers, auditors, IT solution providers, etc.) if there is a legitimate interest of the Controller or a third party. Personal data may be shared also with public authorities or other institutions, if required by law.

What are rights of data subject?

In accordance with applicable law, in particular with Articles 15 – 21 of the Regulation of the European Parliament and of the Council (EU) 2016/679, the General Data Protection Regulation (the “GDPR”) the business partner can exercise its rights of data subject:

- the right to access the data we process, the right to the portability of personal data and the right to request the correction of inaccurate or incomplete data;

- the right to object processing of personal data according to Article 21 of GDPR;
- the right to file a complaint with the Office for Personal Data Protection (Úřad pro ochranu osobních údajů), Pplk. Sochora 27, 170 00 Prague 7, www.uoou.cz;
- the right to erasure of his / her personal data or limitation of its processing.

The data subject may contact with its requests, inquiries or complaints a contact person for the relevant area:

- contact person responsible for the personal data processing within the security circuit of the camera systems via e-mail at: pdp.security@hyundai-motor.cz;
- contact person responsible for the personal data processing within the technologic circuit of the camera systems via e-mail at: pdptechnicalcctv@hyundai-motor.cz.
