

Category	Name of project	Description	HMMC grant	Applicant
Culture	Love for metal on wheels	Financial support of Historic Vehicles Club in Nový Jičín. Money will be used for co-finance season 2022. Peak of the season is St. Wenceslas Ride (12th year this year) - its goal is to present technical attractions and beauty of old and graceful gems to the public.	10 000	Markéta Rotková
	Project "Flower up, bud" is celebrating 20 years	The name of our music and art competition project "Flower up, bud" symbolizes its main goal - to provide children and youth with the conditions and opportunities for their talent to flourish.	20 000	ZŠ a MŠ Střítež
	Escape in Chains - 13th year	Escape in the Chains is a cultural and sport event that is unique in its kind. It always focuses on one historical event. It consists of three parts: educational (educational, fight against crime, information about the region), sports (pairs tied running to the finish line - escape from addictions of all kinds) and cultural (space for regional musicians and local associations and association).	20 000	Horolezecký oddíl Tatran Havířov, z.s.
	Gardens in dance	In the HMdance dance studio, we want the Piarist gardens to dance as well, which is why we organize dance evenings with live music and dance lessons for visitors every year. Admission to the event is free, we also provide a snack bar and the program is enriched by performances.	20 000	Jan Tyllich
